

Grade R
PRODUCT GUIDE
2024 Early Enrolment

COMPLIANT CURRICULUM

The Brainline-developed curriculum is based on the CAPS curriculum and complies with legal requirements.

FLEXIBLE PROGRAMME

Begin when you want, complete at your own pace and in any order you want throughout the year.

ABC AND 123

The complete alphabet and number set is taught throughout the programme, with specific literacy and numeracy outcomes.

DEVELOPMENT OF ESSENTIAL SKILLS

Play activities to develop both the fine and gross motor skills that your child must master.

LIVE CLASSES AND CURRICULUM RESOURCES

Offered by qualified teachers. (Additional fee applies.)

QUALITY PROGRAMME

Programme designed by a qualified and highly experienced foundation phase/remedial educator.

THE BRAINLINE SYLLABUS

Brainline has developed our own Grade R programme (curriculum) based on the CAPS requirements of the Department of Basic Education, while allowing you as parent/guardian flexibility. We use an integrated approach that focuses on learning through play and fun activities, using household items. Our programme comprises a combination of a Home Language, First Additional Language, Mathematics, and Life Skills, which are addressed holistically with a theme-based approach.

PROGRAMME OVERVIEW

<p>LEARNING OUTCOMES</p>	<p>PROGRAMME CONTENT</p>	<p>FACILITATION</p>	<p>SCHOOL READINESS TEST</p>
<p>Outcomes include reading and viewing, design, data handling, listening exercises, interpretation, writing, language structure, thinking and reasoning.</p>	<p>The programme content is available as 21 printed full-colour, theme-based modules via Credobooks, or as printable ebooks via Snapplify.</p>	<p>The parent/guardian is required to facilitate the child's learning by guiding him/her through the activities in each module.</p>	<p>The conclusion to the Grade R programme. You can opt to purchase this evaluation to ascertain your child's level of maturity and school readiness.</p>

How to enrol online

Please expect a possible delay in this turn-around time during peak time (January to February of the academic year).

Get started in just 3 steps

1 Enrol online

Go to www.mybrainline.com and enrol for the desired grade and product.

2 Microsoft 365 Student Account

A Microsoft 365 Student account is created for each student enrolled. This account is activated within 24 hours upon approval of the enrolment.

3 Download booklist

Click here to download the list of prescribed and recommend books for Grade 4-12.
Note: The Brainline Grade R-3 digital books can only be bought from Snapplify.com or as hardcopies through [Credobooks](http://Credobooks.com).

Purchasing your books

Option 1: Digital books on the Snapplify Reader

- Once your enrolment is approved and your Microsoft 365 Student account has been activated, **click here** to go to Snapplify.
- Sign in with Microsoft using the login details that you received in your Brainline welcome email.
- Purchase each book as required.
- Go to www.getsnapplify.com and select your device type. Download the application/installer and install it on your device.
- Open the application and log in with your Microsoft username and password.
- In the application, you will see the items you have purchased available for download. Download the books to access your study material.

Option 2: Hardcopy books from CredoBooks

- Credo Books is Brainline's preferred supplier of hard copy books for our clients.
- Click here** to order hard copies of your study material.

Option 3: Hardcopy books from Protea Books

- Use Protea Books as an alternative supplier for hard copy books.
- Click here** to visit their website.

Note: Protea does not supply Grade R-3 books.

Please note: To purchase digital books from Snapplify, your enrolment with us must first be approved so that we can create a Microsoft account for the learner to login with. This will allow the Brainline student to choose from a list of prescribed books and to integrate these purchased books to Brainline Cloud School.
