International Matric Certificate

Learners outside SA are now able to complete an IEB matric qualification – the International Secondary Certificate.

Accepted at universities

Meets the requirements for admission to degree study programmes in South African higher education institutions.

Exams outside South Africa

Final exams for the IEB ISC can be written at approved exam centres in the students' country of preference.

Quality curriculum

The IEB ISC has been benchmarked by UK ENIC, and Stellenbosch University oversees the quality assurance process.
